Instructions | How to Register

For Referring Practitioners

These instructions assist Referring Practitioners in registering to receive report and images for their patients through Medinexus, via a web based Medinexus online portal or directly into the Referrer's clinical software system.

How to Register

Registration is a three step process:

1. Online registration.
2. Set up a Log In Account.
3. Contact your SA Medical Imaging Site for report delivery set up.

Online Registration

Register online on the [Medinexus website](#) by filling in the below form:

Login Account

Once you have registered, you will require a username and password to log into the Medinexus Portal. Referrers can contact Medinexus on 1300 79 69 59 (Press option 1) to be issued with their login details.

You can log into the Medinexus Portal via: www.medinexus.com.au/login.

Follow the prompts to setup your account. Enter your details where requested and press the 'Next' button at each step. Make sure your new password is at least 6 characters long and contains both letters and numbers.

Note: The Genie, Best Practice and Medical Director clinical systems do not require a username and password.

SA Health Site Set Up

Referrers will only start receiving reports and images after their Site Medical Imaging Administrator has completed the required setup in the ESMI RIS.

Contact your Site Medical Imaging Administrator to confirm readiness for 'report delivery' via Medinexus.

Support

For support with registration, Referring Practitioners can contact Medinexus on 1300 79 69 59 (Press option 1) or by emailing help@medinexus.com.au.

Helpful information can also be found in the [Medinexus User Guide](#).
